B-BBEE Status : Level 3
Value Adding Supplier

An Approved Member of

Our goal at Thandabantu is to provide the market with skilled artisans ensuring quality within the market. Our passion is not only for the training of artisans but testing them as well. Ensuring that the standard within the market is of a high calibre giving our customers the peace of mind that candidates leaving our centre are skilled, qualified and able to do the job required. The team at Thandabantu would like to see if we could assist you with the skills development plan ensuring that the skill set of your artisans is one less thing to worry about.

Skilling your staff is good for your BUSINESS and good for your WORKFORCE!

GOOD FOR YOUR BUSINESS

Training your staff can result in better customer service, better work safety practices and productivity improvements. You demonstrate to your workforce that you value them enough to invest in them, improving loyalty and staff retention. In turn, retention is a saving to you.

B-BBEE STATUS

"Thandabantu Skills Training Centre (Pty) Ltd is a Level 3, Value Adding Supplier contributor to B-BBEE"
